Ukrainian	Native
English	Intermediate
Polish	Intermediate

EDUCATION

IT Step University Lviv

Computer Sciences, BSc
Sep 2021 — Jun 2025

COURSES

CCNAv7: Introduction to Networks

Cisco · 2022

WORK EXPERIENCE

Codary

Sep 2025 — Present

Co-Founder | Frontend Developer | Web & Software Development

- Co-founded a full-cycle software studio specializing in cross-platform development — web, mobile, and desktop.
- Driving technical decisions and hands-on development with a focus on modern architecture, clean code, and real business impact.

SoftSolEdge I

Oct 2024 — Mar 2025

Full-stack development for E-Health System

- Creating full-stack solutions, including new feature development and bug fixes.
- Maintaining code quality through regular code reviews.
- Configuring CI/CD pipelines for automated deployments on Amazon EC2.

Tech: React, Redux, Nest, Express, PostgreSQL, AWS EC2, Jira, BitBucket, SCRUM

Star for Life Ukraine

Jun 2024 — Nov 2024

Front-end development

- Developing user interfaces (front-end) for the website and admin panel.
- Integrating the front-end with the backend.
- Bug fixing.

Tech: Vue.js, Vuex, Axios, GitHub

UBOS

Mar 2024 — Jun 2024

Low-code platform development

- Development and implementation of CRM systems using the low-code platform Ubos.
- Creation of server-side solutions with Node-RED.
- Integration of CRM systems with MongoDB.
- Integration of artificial intelligence features.

Tech: UBOS Platform, Node-RED, MongoDB, Git
